***Allowable Subject Matter***

1. Claims 6-17 are allowed.

The following is an examiner's statement of reasons for allowance: No prior art has been found that meets the limitations of claims 6-17 calling for an adaptor for inspection of circuit boards, comprising a wiring board, an anisotropically conductive elastomer sheet, and wherein the wiring board, on its first surface includes an insulator that has surface roughness of at most 0.2  $\mu\text{m}$  on its first surface, as further defined at claims 6 and 7 respectively.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

2. This application is in condition for allowance except for the following formal matters:

**In the Abstract:**

Applicant is reminded of the proper language and format for an abstract of the disclosure.

The abstract should be in narrative form and generally limited to a single paragraph on a separate sheet within the range of 50 to 150 words. It is important that the abstract not exceed 150 words in length since the space provided for the abstract on the computer tape used by the printer is limited. The form and legal phraseology

Art Unit: 2829

often used in patent claims, such as "means" and "said," should be avoided. The abstract should describe the disclosure sufficiently to assist readers in deciding whether there is a need for consulting the full patent text for details.

The language should be clear and concise and should not repeat information given in the title. It should avoid using phrases which can be implied, such as, "The disclosure concerns," "The disclosure defined by this invention," "The disclosure describes," etc.

Prosecution on the merits is closed in accordance with the practice under *Ex parte Quayle*, 25 USPQ 74, 453 O.G. 213, (Comm'r Pat. 1935).

A shortened statutory period for reply to this action is set to expire **TWO MONTHS** from the mailing date of this letter.

### ***Conclusion***
